Bumblebees' assembly, all about people from the past, was both entertaining and informative. They have clearly investigated a whole range of historical characters and presented their learning with pride and passion. Well done to them and their teachers!

School Games Day today has been blessed with beautiful, but not too warm weather. Our morning carousel of activities generated great participation and team-work; a big thank you to the Year 6 and Year 5 pupils who ran events. Thank you also to the Year 5 team leaders who carefully shepherded their team around, making sure everyone had fun! And then the afternoon races – as I write the result has not yet been announced. However, I can say a huge well done to all the participants and thank you to the wonderful Brookwood staff for their hard work. Special mention for the FOBS team who organised refreshments too. Well done Mrs Cheeseman for the main organisational flair today!

Staffing news

In a flurry of up-to-the-deadline interviews, it is with mixed feelings that I let you know that Miss Foster and Miss Taylor have both secured new jobs, which will expand their teaching experience and provide fresh challenges to them as they advance their careers. I have successfully replaced one with a great new teacher and I am in the process of recruiting a second.

Summer Fair – Saturday 24th June

We are in the run-up to the Summer Fair now. Please note the date in your diaries – we ask that all children come along as we prepare a whole-school event in the arena at the start of the day's events.

FOBS would like help with items for their ever-popular Tombola and Toy Tombola. Please send items into school at any stage from now on ... the class which collects the most items per pupil wins a prize! Alcohol must be handed to an adult at the school office please.

Bottles of wine and tins of food
