IMPORTANT!! IMPORTANT!! IMPORTANT!!

Please remember that we are a **NO NUT SCHOOL**

Welcome back! It has been an absolute delight to see all our returning pupils and all our new joiners this week. The school adults had two very productive days on Monday and Tuesday taking part in lots of training about keeping children safe, Brookwood policies, a new school approach to teaching mathematics and a review of this term's exciting afternoon topics.

From Wednesday onwards, we've heard lots about your exciting holidays from your children, and shared their hopes and aspirations for the year. The new teachers have settled well into school and we already feel like a strong, supportive team.

Thank you once again for all the kind gifts which you so generously gave to the staff at the end of last term. As I said, absolutely not necessary, but very gratefully received none-the-less.

Jo Green Headteacher

Outside in All Weathers

Please remember to send your child in to school with a waterproof jacket/coat along with trainers each day. PE kits should also be left in school all week as sometimes lesson times change. Thank you.

Staffing Update

You may remember from a previous newsletter that I am spending some time supporting Chertsey Nursery and Children's Centre this year. My normal working pattern has now been agreed; I will be at Chertsey Nursery on Tuesday mornings, Wednesday afternoons and on Fridays. Mrs Cheeseman and Mr Gunning already have stepped into higher profile leadership roles as Deputy Headteachers. If I am not on site, they are in charge! We will share writing the newsletters – and I look forward to reading their take on the week. We are also pleased to welcome two new members of staff to the admin team: Miss Hyland, who is our receptionist, and our office administrator Mrs Fookes.

Getting in Touch

Our open door policy remains firmly in place. If you need to talk to one of the class teachers, let Miss Hyland or one of the other office team members know and teachers will be in touch as soon as they can step out of class. I know you understand that it is not always possible for staff to see you at the start of the day as they are busy in class settling children in and getting learning underway.

Meet the Teacher sessions – See the dates list

We look forward to meeting as many of you as possible at the Meet the Teacher sessions the week after next. Please do your best to come along and meet your child's teacher. We really value your input.

School Clubs

We will work on a new clubs list next week, let you and your children know what is available next Friday and start clubs from Monday 18th September.
