

In-Store Appointments

We are now taking reservations for in-store appointments for **new joiners** to school:
1st - 31st July

We are presently only taking bookings for pupils who are new to their school for September 2020.

Please note - in line with government guidance, our changing room facilities must remain closed at present. Therefore, where possible, please do make your purchases online this year.

What we are doing to keep you safe:

Limited Number of Customers

We are restricting the number of customers allowed in store at any one time via our appointment system. We kindly request that just one adult attends per appointment.

Protecting You and Our Staff

All our staff are equipped with facemasks. Perspex screens are being installed around till points.

Changing Rooms

Use of the changing rooms will not be available at this time, in line with government guidance.

Exchanges

We are encouraging our customers to try clothes on at home, and should these need to be exchanged, they will be sanitised and quarantined for at least 72 hours.

Hand Sanitising Stations

We are providing easy-to-use hand sanitising stations at all entrances and throughout our stores.

Additional Cleaning

Frequently touched areas will be regularly disinfected (including all surfaces).

Social Distancing Systems

We have a one-way system to enter and exit our stores. We have adequate space for a socially distanced queuing system outside our shops, should it be necessary.
