## System of controls

We know that the predominant new variant of coronavirus (COVID-19) is more transmissible however, PHE advice remains that the way to control this virus is with the system of controls, even with the current new variants. This is the set of actions schools must take. They are grouped into 'prevention' and 'response to any infection'. If you follow the system of controls, you will effectively reduce risks in your setting and create an inherently safer environment.

### Prevention

#### You must always:

1. Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.
2. Ensure face coverings are used in recommended circumstances.
3. Ensure everyone is advised to clean their hands thoroughly and more often than usual.
4. Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
5. Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
6. Consider how to minimise contact across the site and maintain social distancing wherever possible.
7. Keep occupied spaces well ventilated.

#### In specific circumstances:

8. Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
9. Promote and engage in asymptomatic testing, where available.

#### Response to any infection:

10. Promote and engage with the NHS Test and Trace process
11. Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
12. Contain any outbreak by following local health protection team advice.

## Risk assessment

### What are the hazards?

- Potential for spread of COVID-19 between persons at school showing symptoms of coronavirus or those who are confirmed to have coronavirus.

### Who might be harmed and how?

- Staff, pupils, contractors, and visitors may catch COVID-19 via direct or indirect contact with carriers whilst on site.
- Potential for spread to other family members / persons.

**Note:** We have specifically removed any rating or scoring from this risk assessment. We do not feel this adds any significant benefit to this untypical situation. You may wish to prioritise any actions, but the basis of the approach to mitigating the risks from coronavirus is such that all measures should be carried out alongside each other rather than in sequence. The planning and assessment you undertake will form the basis of an overall plan to manage the risks specific to your setting and that is the most important aspect of this process.

This risk assessment is based on Department for Education (DfE) Schools coronavirus (COVID-19) operational guidance as published on 10<sup>th</sup> May 2021.

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<b>SYSTEM OF CONTROLS – PREVENTION</b>				
<b>1. Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school (DfE page 8)</b>				
<ul style="list-style-type: none"> <li>▪ Is there a procedure for managing suspected or positive cases of coronavirus?</li> <li>▪ How will this be communicated to the school community?</li> <li>▪ Consider what information or measures may be needed at school gates and entrances to the building, as well as on the school website.</li> <li>▪ How will visitors to site be managed?</li> <li>▪ Is there an appropriate room identified that can be used to isolate someone with symptoms whilst they are awaiting collection?</li> <li>▪ Have welfare staff and others been trained in measures to take?</li> <li>▪ Have welfare staff and others been provided with PPE and training on its use?</li> </ul>	<ul style="list-style-type: none"> <li>▪ March re-opening letter clearly states the symptoms and that individuals should not come to school if they have any symptoms.</li> <li>▪ Standing item on the newsletter with details of the symptoms and advice on what to do if any individual experiences symptoms.</li> <li>▪ Posters have been displayed in and around school displaying information about Covid, including on the gates and the main entrance.</li> <li>▪ PHE guidance is followed as soon as anyone is symptomatic and further advice sought in event of outbreak</li> <li>▪ BET colleagues and SCC contacts will immediately be informed in the event of a confirmed case.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ How will the school manage and monitor those persons who are required to isolate e.g. those who have been in close contact with a positive case or have been instructed to do so?</li> </ul>	<ul style="list-style-type: none"> <li>▪ A clear procedure of what to do if there is a confirmed case has been communicated with staff and parents as a reminder. Initial training for staff was provided in summer 2020 and the autumn term 2020.</li> <li>▪ An isolation room has been identified, rules for use of the room prominently displayed and staff reminders issued.</li> <li>▪ A clear weekly timetable is kept so that the location of staff within a bubble is known in support of identifying close contacts.</li> <li>▪ Visitors are asked prior to arriving on site to declare that they are not symptomatic – directed to website declaration form which is then submitted directly to the office and retained for Test and Trace if required.</li> <li>▪ All visitors are required to wear face masks at all times while on site.</li> <li>▪ Sign-in process for visitors minimises touch points – office team sign visitors in; lanyards once returned are quarantined. Fire and safeguarding procedures are displayed for visitors to view without the need for touch.</li> <li>▪ The Office Team have received training on questions to ask of visitors and of parents who are calling to report a child’s absence from school.</li> <li>▪ Chronology of process in response to a positive case has been created for SLT to follow.</li> <li>▪ PHE flowchart is in place to follow in relation to suspected / confirmed cases.</li> <li>▪ Covid email address created for parents to notify directly in the event of a positive case.</li> <li>▪ In the event of a positive case, close contacts are risk assessed using PHE guidance. Close contacts (both children and adults) will be required to isolate. A close contact is defined (by PHE): anyone who lives in the same</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
	<p>household as another person who has Covid-19 symptoms or has tested positive for Covid-19; anyone who has had any of the following types of contact with someone who has tested positive for Covid-19: face-to-face contact including being coughed on or having a face-to-face conversation within one metre; been within one metre for one minute or longer without face-to-face contact; been within 2 metres of someone for more than 15 minutes (either as a one-off contact, or added up together over one day); travelled in the same vehicle or a plane. Staff tracker captures any absences; individual letters sent to staff and parents advising on isolation periods. Registers updated.</p> <ul style="list-style-type: none"> <li>Regular reminders and briefings to the parent community through the Head of School's fortnightly Teams meetings.</li> </ul>			
<b>2. Ensure face coverings are used in recommended circumstances (DfE page 10)</b>				
<ul style="list-style-type: none"> <li>From 17 May, in line with Step 3 of the roadmap, face coverings will no longer be recommended for pupils in classrooms or communal areas in all schools. Face coverings will also no longer be recommended for staff in classrooms.</li> <li>In all schools we continue to recommend that face coverings should be worn by staff and visitors in situations outside of classrooms where social distancing is not possible (for example, when moving around in corridors and communal areas).</li> <li>Where schools are delivering education and training, including extra-curricular activities and wraparound childcare, in a community setting (for example, library or community centre), staff and pupils will be exempt from the legal requirement to wear a face covering if they are in</li> </ul>	<ul style="list-style-type: none"> <li>All staff unless exempt are expected to wear face coverings in communal areas (not face shields) - this means all areas of the school (inside <b>only</b>) except at desks when working, when teaching / supporting learning in class and when eating and drinking.</li> <li>Training has been given to all staff on safe donning, doffing and storage of masks (summer 2020; Inset days Sept 2020) and donning and doffing guidance is available in each bubble's cleaning / first aid boxes.</li> <li>As children in school are below the required age for wearing face masks, this is not an expectation although a small minority may choose to do so. In these cases, individual guidance has been given.</li> <li>Stocks of disposal masks are available in school.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>a private room or the premises has been exclusively hired for the sole use of its pupils and staff.</p> <ul style="list-style-type: none"> <li>▪ The reintroduction of face coverings for pupils, students or staff may be advised for a temporary period in response to particular localised outbreaks, including variants of concern. In all cases, any educational drawbacks should be balanced with the benefits of managing transmission. The Local Action Committee structure (bronze/silver/gold) should be used in such circumstances to re-introduce the use of face coverings. Immediate outbreak response (at the level of individual settings or a cluster of settings) remains for local directors of public health to advise on.</li> <li>▪ Children and young people aged 11 and over must still wear a face covering on public transport. In accordance with advice from PHE, they must also wear a face covering when travelling on dedicated transport to secondary school or college. This does not apply to children and young people who are exempt from wearing face coverings.</li> <li>▪</li> <li>▪ Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places.</li> <li>▪ Transparent face coverings, which may assist communication with someone who relies on lip reading, clear sound or facial expression to communicate, can also be worn. There is currently very limited evidence regarding the effectiveness or safety of transparent face coverings, but they may be effective in reducing the spread of coronavirus (COVID-19). The main benefit from a transparent face covering is that they can aid</li> </ul>	<ul style="list-style-type: none"> <li>▪ Visors have been offered to staff in addition to face coverings for those who choose to wear both.</li> <li>▪ Staff and the parent community have received a reminder of the rules around face coverings and exemptions.</li> <li>▪ Staff are no longer required to wear face coverings outside while on break and lunch duties, but can do so if they choose.</li> <li>▪ Staff are encouraged to wear face coverings when releasing children and talking to parents at the beginning / end of the day.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>communication, for example enabling lip-reading or allowing for the full visibility of facial expressions, but this must be considered alongside the comfort and breathability of a face covering which contains plastic which may mean that the face covering is less breathable than layers of cloth.</p> <ul style="list-style-type: none"> <li>▪ Schools have a duty to make reasonable adjustments for disabled pupils and students, to support them to access education successfully. The following is a non-exhaustive list of possible adjustments: <ul style="list-style-type: none"> <li>▪ The provision and effective use of assistive listening devices, such as radio aids.</li> <li>▪ An increased focus on the listening environment, minimising all unnecessary background noise - steps should be taken so that children with hearing loss are taught in classrooms with the best possible acoustic conditions.</li> <li>▪ Allowing the use of speech-recognition apps on mobile devices and tablets in classrooms, taking into account possible variations in the effectiveness of such apps in different classroom situations.</li> <li>▪ Additional communication support, including remote speech-to-text reporters or sign language interpreters.</li> <li>▪ Separate one-to-one teaching and support, without the use of face coverings and in rooms where social distancing can be achieved or through a Perspex panel.</li> </ul> </li> <li>▪ Where appropriate, education settings should discuss with pupils and parents the types of reasonable adjustments that are being considered to support an individual.</li> <li>▪ Face visors or shields should not be worn as an alternative to face coverings. They may protect against droplet spread</li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>in specific circumstances but are unlikely to be effective in reducing aerosol transmission when used without an additional face covering. They should only be used after carrying out a risk assessment for the specific situation and should always be cleaned appropriately.</p> <ul style="list-style-type: none"> <li>▪ Where face coverings are recommended there are some circumstances where people may not be able to wear a face covering. This includes (but is not limited to): <ul style="list-style-type: none"> <li>▪ People who cannot put on, wear, or remove a face covering because of a physical or mental illness or impairment, or disability.</li> <li>▪ Where putting on, wearing, or removing a face covering will cause you severe distress.</li> <li>▪ If you are speaking to or providing assistance to someone who relies on lip reading, clear sound or facial expressions to communicate.</li> <li>▪ To avoid harm or injury, or the risk of harm or injury, to yourself or others – including if it would negatively impact on your ability to exercise or participate in a strenuous activity.</li> </ul> </li> <li>▪ The same exemptions will apply in education and childcare settings and you should be sensitive to those needs, noting that some people are less able to wear face coverings and that the reasons for this may not be visible to others.</li> </ul>				
<b>3. Ensure everyone is advised to clean their hands thoroughly and more often than usual (DfE page 14)</b>				
<ul style="list-style-type: none"> <li>▪ Consider how often pupils and staff will need to wash their hands and incorporate time for this in timetables or lesson plans.</li> <li>▪ Are there enough hand washing or hand sanitiser ‘stations’ available so that all pupils and staff can clean their hands regularly?</li> </ul>	<ul style="list-style-type: none"> <li>▪ Children to wash their hands at regular times throughout the day eg when entering school, before snack, after playing, before lunch, after lunch and before going home.</li> <li>▪ All classrooms have sinks.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Ensure supervision of hand sanitiser use given the risks around ingestion. Skin friendly skin cleaning wipes can be used as an alternative.</li> <li>▪ Build these routines into school culture, supported by behaviour expectations and helping ensure younger pupils and those with complex needs understand the need to follow them</li> <li>▪ Sufficient quantities of cleaning supplies and hand soap to be maintained.</li> <li>▪ All staff will be briefed weekly as a minimum on expected hygiene standards.</li> <li>▪ All staff instructed to actively monitor to ensure all pupils and colleagues are adhering to principles of good hygiene.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Hand sanitiser to be used when sinks cannot be readily accessed eg coming off playground straight to lunch.</li> <li>▪ Families have been made aware that the sanitiser contains alcohol and given the opportunity to withdraw from this if they do not wish their children to use it eg. due to religious beliefs.</li> <li>▪ Stocks of soap etc checked and orders placed to fill gaps – weekly stock check thereafter.</li> <li>▪ Hand sanitiser is available in all classrooms and administered under supervision by an adult.</li> <li>▪ Posters on handwashing procedures are displayed by all sinks.</li> <li>▪ Small children / children with additional needs to be supervised / supported while washing their hands.</li> <li>▪ Staff provided with personal hand sanitiser bottles to wear on lanyards – for use as required, for eg when administering first aid outside.</li> </ul>			
<b>4. Ensure good respiratory hygiene for everyone by promoting the ‘catch it, bin it, kill it’ approach (DfE page 14)</b>				
<ul style="list-style-type: none"> <li>▪ Are there enough tissues and bins available in the school to support pupils and staff to follow this routine?</li> <li>▪ Ensure that younger children and those with complex needs are helped to get this right.</li> <li>▪ Are there risk assessments in place for pupils with complex needs who will struggle to maintain as good respiratory hygiene as their peers?</li> <li>▪ All staff should be briefed weekly as a minimum on expected hygiene standards.</li> <li>▪ All staff instructed to actively monitor to ensure all pupils and colleagues are adhering to principles of good hygiene.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Bins are located in every classroom</li> <li>▪ Lids removed from bins to avoid touching surfaces</li> <li>▪ Tissues to be regularly restocked by caretaker</li> <li>▪ All children with individual needs, who are unable to maintain good respiratory hygiene have risk assessments and plans, which have been shared with staff as appropriate</li> <li>▪ Posters displayed and assemblies have been held on ‘catch it, bin it, kill it’</li> <li>▪ Weekly update will continually remind and update staff on good hygiene standards</li> <li>▪ Under 11s not currently required to wear masks.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
	<ul style="list-style-type: none"> <li>▪ All parents asked to wear face coverings while on site unless they are exempt.</li> <li>▪ All staff to wear face coverings in communal areas – this means all areas of the school (inside only) except at desks when working, when teaching / supporting learning in class and when eating and drinking.</li> <li>▪ ‘Hands, Face, Space’ signage to be prominently displayed around the school site.</li> </ul>			
<b>5. Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products, such as detergents (DfE page 15)</b>				
<ul style="list-style-type: none"> <li>• <b>Enhanced cleaning regime</b></li> </ul>				
<ul style="list-style-type: none"> <li>▪ Is there an enhanced cleaning regime in place and are all cleaners and staff aware of measures to take?</li> <li>▪ Are high contact items such as door handles, including main entrance doors and commonly used doors cleaned more frequently?</li> <li>▪ Are bins are emptied throughout the day?</li> <li>▪ IT equipment should ideally be used by one person as a designated workstation. Where possible IT equipment should be cleaned (wiped down) pre use and at the end of the day.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Increased signage on gates / entrances</li> <li>▪ Staff briefings to include hygiene reminders</li> <li>▪ Hand washing posters to remain prominently displayed by all sinks</li> <li>▪ Designated member of staff to lead on cleaning throughout the day</li> <li>▪ Timetable to include identified times for cleaning within the bubbles – once during the day, with the cleaners to do the evening clean.</li> <li>▪ Log is in place for cleaning and for toilets.</li> <li>▪ Regular handwashing to be on the timetable</li> <li>▪ All classrooms have sinks.</li> <li>▪ Stocks of soap etc checked and orders placed to fill gaps – weekly stock check thereafter.</li> <li>▪ Reminder given to staff wear gloves and apron when cleaning in a suspected case (bleach cleaner).</li> <li>▪ A member of staff in each bubble to lead on cleaning throughout the day</li> <li>▪ Dedicated additional cleaning on site during the lunch period – to wipe tables between sittings and high use touch points in shared areas.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
	<ul style="list-style-type: none"> <li>▪ Office team to clean high use touch points regularly throughout the day.</li> <li>▪ Shared desk spaces are sanitised between uses.</li> </ul>			
<ul style="list-style-type: none"> <li>• <b>Hazards from using new or different hazardous products</b></li> </ul>				
<ul style="list-style-type: none"> <li>▪ Ensure that any hazardous substances that are used because of changes to cleaning or hygiene regimes have a COSHH risk assessment.</li> <li>▪ Ensure that any significant findings or precautions are shared with those using the products.</li> <li>▪ It should be noted that in most if not all cases these will be lower risk items.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Agreed with contract cleaners intended products to be used over this period, particularly in the case of a positive test</li> <li>▪ Cleaners have made available COSHH risk assessment for those products</li> <li>▪ Communicate any precautions for staff in training sessions.</li> </ul>			
<ul style="list-style-type: none"> <li>• <b>Principles of cleaning after an individual with symptoms of, or confirmed COVID-19, the case has left the setting or area</b></li> </ul>				
<ul style="list-style-type: none"> <li>▪ Is there a procedure in place for cleaning an area a person with symptoms of COVID-19 or a confirmed case of COVID-19 has been?</li> <li>▪ Is the appropriate PPE being used?</li> <li>▪ Are appropriate cleaning products or methods being used?</li> </ul>	<ul style="list-style-type: none"> <li>▪ Designated isolation room for anyone with symptoms to wait.</li> <li>▪ Isolation room has bleach-based spray cleaner, disposable cloths / paper towels and a full stock of PPE</li> <li>▪ Yellow hazard bags available for contaminated waste (see below)</li> <li>▪ All furniture used by symptomatic individual is plastic / hard surface and cleaned using the bleach-based spray.</li> <li>▪ Isolation room rules have been shared with staff, are displayed on the door and include key actions required when managing a symptomatic individual and cleaning the room thereafter.</li> <li>▪ Contract cleaners are commissioned to deep clean the rooms in the event of a positive case.</li> </ul>			
<ul style="list-style-type: none"> <li>• <b>Contaminated waste</b></li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Personal waste from individuals with symptoms of COVID-19 and waste from cleaning of areas where they have been (including PPE, disposable cloths and used tissues) should be: <ul style="list-style-type: none"> <li>▪ Put in a plastic rubbish bag and tied when full</li> <li>▪ The plastic bag should then be placed in a second bin bag and tied</li> <li>▪ This should be put in a suitable and secure place and marked for storage until the individual's test results are known</li> </ul> </li> <li>▪ This waste should be stored safely and kept away from children. It should not be placed in communal waste areas until negative test results are known, or the waste has been stored for at least 72 hours.</li> <li>▪ If the individual tests negative, this can be disposed of immediately with the normal waste.</li> <li>▪ If COVID-19 is confirmed this waste should be stored for at least 72 hours before disposal with normal waste.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Yellow hazard bags in place and used for any first aid and any suspected case</li> <li>▪ Double bag all waste</li> <li>▪ Secure place for waste to be stored until results of test are known – to be left in the cupboard in the Head's office– waste labelled so know where it has come from and the date.</li> </ul>			
<b>6. Consider how to minimise contact across the site and maintain social distancing wherever possible (DfE page 15)</b>				
<ul style="list-style-type: none"> <li>• <b>How to group children</b></li> </ul>				
<ul style="list-style-type: none"> <li>▪ Consider the minimum size groups you can manage whilst delivering the curriculum.</li> <li>▪ Can consistent groups be maintained wherever possible?</li> <li>▪ Are pupils able to socially distance?</li> <li>▪ Does the layout of the building make it easier or harder to keep groups separate?</li> <li>▪ Groups should be kept apart from other groups. This could be through using different parts of the school for each group, limiting sharing of rooms and social spaces, varying break and lunch times and limiting movement between lessons.</li> </ul>	<ul style="list-style-type: none"> <li>▪ <b>From 8<sup>th</sup> June 2021</b>, bubbles to be arranged as follows: <b>Yrs R, 1&amp;2 will form one bubble; Yrs 3&amp;4; and Yrs 5&amp;6.</b> These bubbles will be maintained at all times in the day</li> <li>▪ Each class will remain in the same classroom for lessons.</li> <li>▪ <b>The new Yr R, 1 and 2 bubble will only gather at break and lunch times but will be separate at all other times. The other classes will gather in their bubbles at break and lunch times and for some lessons such as PE.</b></li> <li>▪ Year 3 and 4 bubble to have designated external areas and yr 5 and 6 bubble to have designated external area – both to go out at 10:15am and remain separate; yrs R, 1and 2</li> </ul>

<ul style="list-style-type: none"> <li>Have staff identified as needing PPE been provided with appropriate training and information on correct use and disposal?</li> </ul>				
<b>9. Promote and engage in asymptomatic testing, where available (DfE page 23)</b>				
<ul style="list-style-type: none"> <li>Communicate and promote importance of asymptomatic testing</li> <li>Refer to <a href="#">asymptomatic testing</a> section below for further information and assessment.</li> </ul>	<ul style="list-style-type: none"> <li>All staff have been offered Lateral Flow Tests and trained to use these.</li> <li>Systems in place to monitor who has been issued with a test and to separately record results.</li> <li>Lateral Flow Test Co-ordinators in post to administer the process.</li> </ul>			
<b>SYSTEM OF CONTROLS – RESPONSE TO ANY INFECTION</b>				
<b>10. Promote and engage with the NHS Test and Trace process (DfE page 23)</b>				
<ul style="list-style-type: none"> <li>Is there a clear understanding in the school around NHS Test and Trace procedures?</li> <li>Have the requirements around symptomatic testing been communicated to all parties?</li> <li>Have all parties been told that they must inform the school of the results of any test as soon as possible?</li> <li>Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test.</li> <li>Home testing kits can be given directly to parents/carers collecting a child who has developed symptoms at school, or staff who have developed symptoms at school, where this will significantly increase the likelihood of testing taking place.</li> <li>Further guidance on Use of the NHS COVID-19 app in education and childcare settings is available. School leaders should be aware of the features of the app, how the app may work with the settings use of mobile phones policy, and communicate with staff, students and parents about the use of the app.</li> </ul>	<ul style="list-style-type: none"> <li>Staff and parents have been communicated with regarding the procedure for getting a test if symptomatic</li> <li>A more detailed letter is handed to parents or staff in the instance of symptoms with advice on what to do next.</li> <li>PHE guidance is followed as soon as anyone is symptomatic and further advice would be sought in event of outbreak</li> <li>Parents to inform school (email through test result) asap</li> <li>Will engage with national Test and Trace programme as required.</li> <li>Stock of home testing kits available should families struggle to access a PCR through other means.</li> <li>Staff advised to switch off Covid app during school hours as the school has its own track and trace system in place during these periods.</li> <li>Visitor contact details will be taken prior to visits via online declaration form. Only essential visitors in school; no parents in school, all meetings should take place virtually over Microsoft Teams.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<b>11. Manage confirmed cases of coronavirus (COVID-19) amongst the school community (DfE page 25)</b>				
<ul style="list-style-type: none"> <li>▪ Are staff aware of the need to contact the DfE helpline?</li> <li>▪ Are proportionate records of pupils and staff in each group and close contacts between groups maintained?</li> <li>▪ Is there a clear understanding of what close contact means?</li> <li>▪ Ensure that all visitors to the school sign in and there is a means to contact them if needs be.</li> <li>▪ Is there an escalation process in place for managing confirmed cases in school?</li> </ul>	<ul style="list-style-type: none"> <li>▪ PHE guidance is followed as soon as anyone is symptomatic and further advice would be sought in event of outbreak</li> <li>▪ BET colleagues and SCC contacts will immediately be informed</li> <li>▪ A clear procedure of what to do if there is a confirmed case has been communicated with staff and parents</li> <li>▪ Isolation room has been identified, with rules for use displayed and communicated.</li> <li>▪ A clear timetable is kept so that staff's location within a bubble is known</li> <li>▪ Covid declaration on website to be completed by visitors prior arrival on site.</li> <li>▪ All staff have received training on how to manage a suspected positive case. Initial training for staff was provided in summer 2020 and the autumn term 2020.</li> <li>▪ Chronology of process in response to a positive case has been created for SLT to follow.</li> <li>▪ PHE flowchart is in place to follow in relation to suspected / confirmed cases.</li> <li>▪ Covid email address created for parents to notify directly in the event of a positive case.</li> <li>▪ In the event of a positive case, close contacts are risk assessed using PHE guidance. Staff tracker captures any absences; individual letters sent to staff and parents advising on isolation periods. Registers updated.</li> </ul>			
<b>12. Contain any outbreak by following local health protection team advice (DfE page 28)</b>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>Ensure there are contingency procedures in place for an outbreak considering partial or full closure, on the advice of health protection teams.</li> <li>Are there procedures in place for admitting staff and students back to school who have tested positive?</li> </ul>	<ul style="list-style-type: none"> <li>Work closely with PHE and follow advice.</li> <li>Return to school meetings held virtually with individuals; if high temperature persists, they are asked to continue to isolate and seek further advice.</li> </ul>			
<b>SECTION 2: SCHOOL OPERATIONS</b>				
<b>Asymptomatic testing (DfE page 29)</b>				
<ul style="list-style-type: none"> <li>Consider how initial on site testing (in secondary schools only) will be delivered and if this needs to be on a phased basis.</li> <li>Make arrangements for continuing on site testing (in secondary schools only).</li> <li>Complete a risk assessment for the testing process relevant for your setting (templates are available).</li> <li>Communicate procedures for testing and continue to encourage take up of testing.</li> <li>Ensure staff, students and parents understand what to do in the event of a positive test.</li> <li>Ensure that staff, students and parents understand that symptomatic testing still needs to take place and that it can be booked online.</li> </ul>	<ul style="list-style-type: none"> <li>Staff have access to lateral flow testing twice per week.</li> <li>Procedures are in place to administer this as outlined above.</li> </ul>			
<b>Attendance (DfE page 30)</b>				
<ul style="list-style-type: none"> <li>School attendance became mandatory for all pupils from 8 March.</li> <li>You should not plan for rotas as there is no requirement to reduce occupancy in schools. Instead, everyone must follow the system of controls.</li> </ul> <p><b>Term time holidays</b></p> <ul style="list-style-type: none"> <li>As restrictions begin to lift, some families may be looking to take holidays. As usual, parents should plan their holidays around school breaks and not take their children out of school on holiday during term time.</li> </ul>	<ul style="list-style-type: none"> <li>Remote learning plan is in place for those children who are unable to attend school due to self-isolation</li> <li>Letter sent to parents regarding attendance expectations from 8<sup>th</sup> March</li> <li>Return to school phone calls taking place to support this and parents asked to communicate any changes or particular challenges to school prior to their return.</li> <li>Advice to be given to staff regarding May half term and summer holidays to clarify that any requirement to isolate</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>Where a parent wishes to take their child out of school for whatever reason, the onus is on them to apply for a leave of absence and demonstrate why they believe the circumstances are exceptional. Schools make decisions on granting leave of absence, but will not normally do so for a holiday.</p> <p><b>Self isolation and shielding</b></p> <ul style="list-style-type: none"> <li>▪ A small number of pupils will still be unable to attend in line with public health advice to self-isolate because they: <ul style="list-style-type: none"> <li>▪ Have symptoms or have had a positive test result</li> <li>▪ Live with someone who has symptoms or has tested positive and are a household contact</li> <li>▪ Are a close contact of someone who has coronavirus (COVID-19)</li> </ul> </li> <li>▪ Shielding advice has been paused nationally from 31 March. All CEV pupils should attend their school unless they are one of the very small number of pupils under paediatric or other specialist care and have been advised by their GP or clinician not to attend. Pupils who live with someone who is CEV should continue to attend school as normal.</li> <li>▪ As normal, you should not encourage parents to request unnecessary medical evidence such as doctors' notes from their GP when their child is absent from school due to illness. This is already set out in the school attendance guidance but is especially important in the context of the pandemic and the coronavirus (COVID-19) vaccination programme. If evidence is required, it can take the form of prescriptions, appointment cards, text or email confirmation of appointments, etc. rather than a doctors' note. As usual, input from GPs should only be sought</li> </ul>	<p>on return if they choose to go abroad will be unauthorised.</p>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>where there are complex health needs or persistent absence issues.</p> <ul style="list-style-type: none"> <li>▪ You are required to provide remote education to pupils who are unable to attend school because they are complying with government guidance or legislation around coronavirus (COVID-19), in the circumstances provided for in the Remote Education Temporary Continuity Direction. You should keep a record of this activity but do not need to record it in the attendance register.</li> <li>▪ You should offer pastoral support to pupils who are: <ul style="list-style-type: none"> <li>▪ Self-isolating</li> <li>▪ Shielding</li> <li>▪ Vulnerable</li> </ul> </li> <li>▪ Where pupils are not able to attend school, as they are following clinical or public health advice related to coronavirus (COVID-19), the absence will not be penalised.</li> </ul>				
<b>Pupils and families who are anxious about return to school</b>				
<ul style="list-style-type: none"> <li>▪ Share the risk assessment and significant findings with parents via the school's website.</li> <li>▪ Discuss and engage with pupils and their parents regarding any concerns around returning to school. Individual discussions around concerns can help to allay fears.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Risk assessment published on website and communicated to parents.</li> <li>▪ Phone calls from members of staff / tours of site offered out of school hours to reassure anxious parents.</li> </ul>			
<b>Pupils abroad who are unable to return</b>				
<ul style="list-style-type: none"> <li>▪ You should continue to work with local authorities to engage with families who are abroad to understand the child's circumstances and their plans to return.</li> <li>▪ You should encourage families to return where they are able to, emphasising the benefits of regular school attendance and reminding them that school attendance is mandatory.</li> <li>▪ If circumstances require it, you can conduct assessments remotely. A pupil's performance should be considered in</li> </ul>	<ul style="list-style-type: none"> <li>▪ All parents have received a letter setting out that attendance is compulsory.</li> <li>▪ Any unexplained absences are followed up promptly.</li> <li>▪ Measures are in place to support vulnerable children who are not attending school due to isolation or shielding – remote learning arrangements would apply.</li> </ul>

<ul style="list-style-type: none"> <li>Given the complexities attached to international travel at this stage of the pandemic, we recommend schools do not go on any international visits this academic year up to and including 5 September 2021.</li> </ul>				
<b>Transitional, taster and open days (DfE Page 49)</b>				
<p>You should complete thorough risk assessments before running transitional, taster and open days to ensure that they are run in line with your system of controls and align with the advice contained within this guidance and the roadmap out of lockdown.</p>	<ul style="list-style-type: none"> <li>Risk assessments to be undertaken for planned new Reception induction events.</li> </ul>			
<b>School uniform (DfE page 50)</b>				
<ul style="list-style-type: none"> <li>Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal.</li> <li>In colder weather consider amendments to the uniform policy.</li> </ul>	<ul style="list-style-type: none"> <li>Full school uniform to be worn. This has been communicated to parents in the re-opening letter.</li> <li>As per ventilation plan, additional base layers can be worn.</li> <li>Wellbeing lead is mindful of parents who may have difficulties accessing uniform.</li> <li>Second hand uniform available from school.</li> <li>Children to wear PE kit all day on designated PE days – parents to be advised of the allocated day and alerted that this may change at short notice depending on staffing. No changing of clothes within school.</li> </ul>			
<b>Wraparound provision and extra-curricular activity (DfE page 51)</b>				
<ul style="list-style-type: none"> <li>You should be working to resume all your before and after-school educational activities and wraparound childcare for your pupils.</li> <li>All parents may access wraparound and extra-curricular provision for their children, without any restrictions on the reasons for which they may attend.</li> <li>You should continue to work closely with any external wraparound providers which your pupils may use to minimise mixing between children. This can be achieved</li> </ul>	<ul style="list-style-type: none"> <li>Breakfast club will not take place for the summer term, as it is not possible with the small numbers in attendance to secure consistent bubbles.</li> <li>There will be no after school clubs during the summer term.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>by taking steps such as trying to keep children in consistent groups as described below.</p> <ul style="list-style-type: none"> <li>▪ Where providers are offering organised activities for children, such as wraparound childcare or extra-curricular activities are outdoors, this can currently happen in groups of any number.</li> <li>▪ From 17 May, in line with the commencement of Step 3 of the roadmap, where wraparound and other extra-curricular activities for children are taking place indoors, they will be able to take place in groups of any number.</li> <li>▪ However, it remains important to continue to minimise mixing between children, where possible. This can be achieved by continuing to keep children in consistent groups every time they attend the setting. Smaller groups should be considered when it is not possible to do this. When considering appropriate group sizes it will be important to take into account factors such as the recommended occupancy levels of the premises you are operating from and levels of ventilation. For example, guidance for providers of grassroots sport and sport facilities recommends that the maximum occupancy of an indoor facility should be limited by providing a minimum of 100sqft per person.</li> <li>▪ Where parents are using external childcare providers or out of school extra-curricular activities for their children, you should also: <ul style="list-style-type: none"> <li>▪ Advise them to limit their use of multiple out-of-school settings providers, and to only use one out-of-school setting in addition to school as far as possible.</li> <li>▪ Encourage them to check providers have put in place their own protective measures</li> </ul> </li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ Send them the link to the guidance for parents and carers</li> <li>▪ If you hire out your premises for use by external wraparound childcare providers, such as after-school or holiday clubs, make sure these organisations have:               <ul style="list-style-type: none"> <li>▪ Considered the relevant government guidance for their sector</li> </ul> </li> <li>▪ Put in place protective measures</li> </ul>				
<b>Curriculum (DfE Page 52)</b>				
<b>Music, dance, and drama in school</b>				
<ul style="list-style-type: none"> <li>▪ You should continue teaching music, dance, and drama as part of your school curriculum, especially as this builds pupils' confidence and supports their wellbeing. There may, however, be an additional risk of infection in environments where singing, chanting, playing wind or brass instruments, dance or drama takes place.</li> <li>▪ Singing, wind and brass instrument playing can be undertaken in line with this and other guidance, including guidance provided by the DCMS for professionals and non-professionals, available at working safely during coronavirus (COVID-19): performing arts.</li> <li>▪ Schools can continue to engage peripatetic teachers during this period, including staff from music education hubs. Further information on the music education hubs, including contact details for local hubs, is available at music education hubs published by the Arts Council England.</li> <li>▪ Schools that offer specialist, elite provision in music, dance and drama should also consider this guidance alongside the DCMS guidance on the performing arts. Specialist provision delivered by further education (FE) providers or</li> </ul>	<ul style="list-style-type: none"> <li>▪ No whole school assemblies will take place (and therefore no singing)</li> <li>▪ Socially distanced music lessons (guitar / ukulele only) will be permitted in either the school hall or the school meeting room, according to a pre-agreed timetable.</li> <li>▪ Dance and drama takes place in bubbles as part of the curriculum.</li> <li>▪ Year 6 production is being planned and will be risk assessed, but is likely to be recorded for later dissemination to parents, subject to safeguarding considerations and parental consent.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p>higher education (HE) providers should consider the respective DfE guidance for these sectors.</p> <p><b>Minimising contact between individuals</b></p> <ul style="list-style-type: none"> <li>▪ The overarching objective should be to reduce the number of contacts amongst pupils, and between pupils and staff, including for rehearsal and performance. As set out in the system of controls, this can be achieved through keeping groups separate (in bubbles) and through maintaining social distance between individuals. These are not alternative options. Both measures will help, but the balance between them will change depending on the age of pupils, the layout of the building, and the feasibility of keeping groups separate from each other while offering a broad curriculum.</li> <li>▪ If staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults.</li> <li>▪ You should take particular care in music, dance, and drama lessons to observe social distancing where possible. This may limit group activity in these subjects in terms of numbers in each group. It will also prevent physical correction by teachers and contact between pupils in dance and drama.</li> <li>▪ Additionally, you should keep any background or accompanying music to levels which do not encourage teachers or other performers to raise their voices unduly. If possible, use microphones to reduce the need for shouting or prolonged periods of loud speaking or singing. If possible, do not share microphones. If they are shared, follow the guidance on handling equipment and instruments.</li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p><b>Performances</b></p> <ul style="list-style-type: none"> <li>If planning an indoor or outdoor face-to-face performance in front of a live audience, you should follow the latest advice in the working safely during COVID-19 in the performing arts guidance, which provides details of how to manage audiences as well as carry out performing arts safely. If planning an outdoor performance you should also give particular consideration to the guidance on delivering outdoor events.</li> <li>You may wish to still consider alternatives such as live streaming and recording performances, subject to the usual safeguarding considerations and parental permission.</li> </ul> <p><b>Singing, and playing wind and brass instruments in groups</b></p> <ul style="list-style-type: none"> <li>Singing, wind and brass playing should not take place in larger groups such as choirs and ensembles, or assemblies unless significant space, natural airflow and strict social distancing and mitigation can be maintained.</li> <li>When planning music provision, you should consider additional specific safety measures. There is some evidence that additional risk can build from aerosol transmission with volume and with the combined numbers of individuals within a confined space. This is particularly evident for singing and shouting, but with appropriate safety mitigation and consideration, singing, wind and brass teaching can still take place. The government has published advice on safer singing.</li> </ul> <p><b>Playing outdoors</b></p> <ul style="list-style-type: none"> <li>Playing instruments and singing in groups should take place outdoors wherever possible. If indoors, consider limiting the numbers in relation to the space.</li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<p><b>Playing indoors</b></p> <ul style="list-style-type: none"> <li>If indoors, use a room with as much space as possible, for example, larger rooms; rooms with high ceilings are expected to enable dilution of aerosol transmission. If playing indoors, limit the numbers to account for ventilation of the space and the ability to social distance. It is important to ensure good ventilation.</li> </ul> <p><b>Social distancing</b></p> <ul style="list-style-type: none"> <li>In the smaller groups where these activities can take place, schools should observe strict social distancing between each singer and player, and between singers and players, and any other people such as conductors, other musicians, or accompanists. Current guidance is that if the activity is face-to-face and without mitigating actions, 2 metres is appropriate. Pupils should use seating where practical to help maintain social distancing.</li> </ul> <p><b>Seating positions</b></p> <ul style="list-style-type: none"> <li>Pupils should be positioned back-to-back or side-to-side when playing or singing (rather than face-to-face) whenever possible. Position wind and brass players so that the air from their instrument does not blow into another player.</li> </ul> <p><b>Microphones</b></p> <ul style="list-style-type: none"> <li>Use microphones where possible or encourage singing quietly.</li> </ul> <p><b>Handling equipment, instruments, and scripts</b></p> <ul style="list-style-type: none"> <li>Require increased handwashing before and after handling equipment, especially if being used by more than one person.</li> <li>Avoid sharing equipment wherever possible. Place name labels on equipment to help identify the designated user, for example, percussionists' own sticks and mallets.</li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ If instruments and equipment have to be shared, disinfect regularly (including any packing cases, handles, props, chairs, microphones and music stands) and always between users, following government guidance on cleaning and handling equipment.</li> <li>▪ Instruments should be cleaned by the pupils playing them, where possible.</li> <li>▪ Limit handling of music scores, parts and scripts to the individual using them.</li> </ul> <p><b>Suppliers</b></p> <ul style="list-style-type: none"> <li>▪ Consider limiting the number of suppliers when hiring instruments and equipment. You should agree whose responsibility cleaning hired instruments is with the suppliers. Clean hire equipment, tools or other equipment on arrival and before first use. Equipment and instruments should be stored in a clean location if you take delivery of them before they are needed, and they should be cleaned before first use and before returning the instrument.</li> <li>▪ Pick up and drop off collection points should be created where possible, rather than passing equipment such as props, scripts, scores and microphones hand-to-hand.</li> </ul> <p><b>Individual lessons</b></p> <ul style="list-style-type: none"> <li>▪ Individual lessons in music, dance and drama can continue in schools and organisations providing out of school childcare. This may mean teachers interacting with pupils from multiple groups, so you will need to take particular care, in line with the measures on peripatetic teachers.</li> <li>▪ If there is no viable alternative, music lessons in private homes can resume, following the same guidelines, and additionally following the government guidance for working in homes, and the guidance for out-of-school provision.</li> </ul>				

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
<ul style="list-style-type: none"> <li>▪ In individual lessons for music, dance and drama, social distancing should be maintained wherever possible, meaning teachers should not provide physical correction.</li> </ul> <p><b>Drama</b></p> <ul style="list-style-type: none"> <li>▪ In addition to general control measures in schools there should be appropriate planning and consideration for delivering practical activities in Drama. This would be expected to be led by the department.</li> <li>▪ Reference should be made to national body guidance. Additional relevant information is available in Government Guidance for people who work in performing arts, including arts organisations, venue operators and participants.</li> <li>▪ Open Drama UK have produced a free guide on Supporting practical group work in drama studios post Covid-19 lockdown.</li> </ul>				
<b>Physical activity in schools</b>				
<ul style="list-style-type: none"> <li>▪ Prioritise outdoor sports wherever possible.</li> <li>▪ Large indoor spaces can be used, maximising natural ventilation flows (through opening windows and doors or using air conditioning systems wherever possible), distancing between pupils and paying scrupulous attention to cleaning and hygiene.</li> <li>▪ External facilities can also be used in line with government guidance for the use of, and travel to and from, those facilities.</li> <li>▪ Pupils should be kept in consistent groups.</li> <li>▪ Sports equipment should be thoroughly cleaned between each use by different individual groups.</li> <li>▪ Activities such as active miles, making break times and lessons active and encouraging active travel can help</li> </ul>	<ul style="list-style-type: none"> <li>▪ PE will mainly be delivered by Pro Direct and Woking FC</li> <li>▪ PE will take place outside where possible</li> <li>▪ PE will take place within bubbles.</li> <li>▪ PE equipment to be cleaned between use</li> <li>▪ No contact sports.</li> <li>▪ Children to wear PE kit all day on designated PE days.</li> </ul>			

Measures to consider	What do you need to do at your school to manage this	Who will do this?	By when?	Completed on:
pupils to be physically active while encouraging physical distancing.				
<b>Science</b>				
<ul style="list-style-type: none"> <li>▪ Science department should review what practical sessions can be delivered and update risk assessments and lesson plans accordingly.</li> <li>▪ Key considerations for practical activities include supervising pupils, management of science equipment, demonstrations instead of practical activities, transferring specialist equipment between bubbles, cleaning or quarantining of equipment, access to PPE especially where supplies were donated to the NHS.</li> <li>▪ Reference should be made to latest CLEAPSS guidance.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Science experiments will take place within a bubble and equipment is sanitised after use.</li> </ul>			
<b>Design &amp; Technology</b>				
<ul style="list-style-type: none"> <li>▪ Design &amp; Technology department should review what practical sessions can be delivered and update risk assessments and lesson plans accordingly.</li> <li>▪ Key considerations for practical activities include supervising pupils, managing movement in the room, management of equipment, demonstrations instead of practical activities, transferring specialist equipment between bubbles, cleaning or quarantining of equipment, access to PPE especially where supplies were donated to the NHS.</li> <li>▪ Reference should be made to latest CLEAPSS guidance.</li> </ul>	<ul style="list-style-type: none"> <li>▪ DT will take place within a bubble and equipment is sanitised after use.</li> </ul>			
<b>Art</b>
