- [Open Mornings](#)

You are invited to visit this open access, 11-16 mixed academy, which celebrates high standards and very good examination results. Excellent Computing, D&T and Science facilities and a stimulating, exciting range of both academic and enrichment opportunities are available for all students.

Wearing a face covering is now a personal choice. For the safety of our colleagues and students please continue to wear a face covering if you can.

Headteacher: Maiken Walter BA, MSc
Morton Road, Horsell, Woking, Surrey GU21 4TJ

Woking High School is a popular, oversubscribed, 11-16 academy serving our local community. Every member of Woking High School is tremendously proud of the school; its high standards of learning and teaching, its excellent academic results and its acclaimed transition programme. We were extremely pleased with our most recent Ofsted report (February 2019) and the comments made by the lead HMI that Woking High School was an excellent school. www.ofsted.gov.uk/reports/

ACCLAIMED PRIMARY- SECONDARY TRANSITION

We have superb relationships with our feeder primary schools and a highly praised transition programme ensuring that KS2 students settle quickly and effectively into life at a secondary school.

EXCELLENT LEARNING AND TEACHING

We strive to ensure that all students fulfil their potential through an unparalleled provision of curricular and extra curricular activities, thus ensuring that students are challenged and motivated to achieve the highest levels of academic excellence. As a result our students have gained places at the most prestigious colleges and universities in the country including Oxford and Cambridge.

Students can access a wide range of curriculum options which provide challenge and foster a spirit of enquiry. Many departments run their own extra-curricular societies to stimulate interest and lectures by distinguished speakers from outside the school are frequent.

We warmly welcome visits to the school so that you can experience the spirit of what it means to belong to Woking High School.

Ofsted February 2019

We are delighted that the inspectors agreed that the school continues to be a very good school indeed.

The school has continued to make strong progress since its last inspection and it recognizes the clear vision and ambition school leaders have for even further improvement in the coming years.
