

Brookwood Primary School KS1 Morning Club

We offer a morning club every morning during term time from 8am to 8:40am. The club operates from the Well-Being Hub for Key Stage 1. The cost per session is £1 per child per day, payable in advance via Scopay. Places will not be secured until payment has been received in addition to a completed booking form. Booking is on a first come, first served basis.

Children cannot be admitted before 8am, and all attendees at morning club must arrive promptly. We cannot accept late attendees. Parents (or nominated adults) will be asked to sign children into the club on arrival. Children may bring a piece of fruit or vegetable as a snack.
