

## Children's Safeguarding Policy 2022

At Brookwood Primary School, all the adults around you think that your health, safety and well-being and welfare are very important.

In our school, we respect all children, and help to keep you safe and happy. We also have our HEART values to support this.

We want to teach you how to recognise risks in different situations, and how to protect yourselves.

Our school has a safeguarding policy for staff, families, and governors. This child friendly policy is designed for you.

We created this policy to help you decide what could be a 'problem' and where to get help and support. There may be times when you want to talk to someone in school about a problem that might be upsetting you.

### **What is Safeguarding?**

Safeguarding means that staff will:

- Protect you from harm
- Make sure you are safely looked after
- Make sure you have the best chances in life

### **How do we protect you at Brookwood Primary School?**

- We provide a safe environment for you to learn.
- We are a school where everyone has the right to feel SAFE; the right to LEARN without undue distraction or disruption and the right to RESPECT.
  - We want to help ensure that you remain safe at home as well as at school.
- We think it is important for you to know where to get help if you are worried or unhappy about something.

## Speak out. Stay safe

You can talk to any adult in school and they will give you time to share how you are feeling. It is important that you know where to get help if you are worried or unhappy about something:

If you feel that you cannot speak to an adult in school, you can leave a note for an adult in our 'speak out stay safe' boxes, put a note in your class worry box or you can speak to your grown-ups at home and they can let us know.

We have people in school who are specially trained to help you that you can also speak to if you are feeling worried about something, they are called Designated Safeguarding Leads and are always here to listen and support:

Mrs Hayward

Miss Swan

Mrs Thomas

There are other places that can support you if you are feeling worried or have a problem that you would like to talk about:
