# BREAKFAST Club

## What is NSSport BREAKFAST Club?

The NSSport Breakfast Club runs every school day during term time from 7:45-8:40am each morning.

We can only accept children from the schools that our breakfast clubs operate from.

All our breakfast clubs run on the school premises which is safe, friendly and familiar to the children.

All our sessions are led by a dedicated and highly qualified team whose purpose is to ensure the children have an active start to their day.

Studies have shown that being active can increase concentration and attainment levels.

## How can I book a place at NSSport BREAKFAST Club?

Places can be pre-booked on our website at [www.nssport.co.uk](http://www.nssport.co.uk) at £4.00 per session

Please note you will need to register your details and your child(ren)s details online before you can make a booking.

All places are allocated on a first come, first serve basis and will need to be booked 12 hours in advance to secure a place. If you haven't prebooked a place we **may** accept your child if we have a place available. Booking is advisable to avoid disappointment.

We accept card payments and childcare vouchers as payment for this service.

## What is a typical morning like at an NSSport BREAKFAST Club?
