Breakfast Club

We run a breakfast club at school every weekday morning from 7.45am. The charge is £4.00 per session. If you would like to sign your child up for breakfast club, you can do so by contacting the school office on 01483 473315 or pop in when you are dropping off or collecting your child. We are now able to accept cash or childcare vouchers.

SATs Breakfast Next Week

Owls Class (Year 6) are invited in on Monday to Thursday next week at 8.00am for breakfast with Mr Gunning. This is free of charge.

If you wish any siblings to come in for breakfast they are welcome to join our breakfast club. Please book them in via the school office and note that the normal charges will apply.

Data Collection Sheets

If your contact information changes at all please let the school office know. It is very important that we have up-to-date details for you and your child's other named contacts, particularly phone numbers in case we should need to contact you in an emergency. Thank you for your co-operation.

I hope you enjoyed the bank holiday weekend – it was lovely to hear about all of the adventures the children enjoyed!

In addition to this newsletter, your child has been given a copy of the brand new school newspaper! Well done to Mrs Silvester and the team and we hope you enjoy it!

We have been celebrating the beautiful weather with lots of outdoor learning this week. Mrs Green, Mrs Cheeseman and I have been outside at lunch times and it is great to see the children making use of the fantastic grounds and resources on offer.

Today we are having a whole school Religious Education (RE) themed day. We plan to do this once a half term to ensure coverage and raise the profile of RE in school. I have just visited classrooms to find RE being taught in a variety of creative ways including art, drama, ICT and many more! Hedgehogs (year 3) are creating their own set of 10 commandments and I particularly enjoyed Aaliyah's which include:

- Respect the Wildlife
- Be grateful for everything you have
- Be proud of yourself

Harry included:

- Don't give out personal details
- Respect your teachers (especially Miss Standley!!)

We will update the website with more details and photos!

Next week the Year 6 children complete their end of primary school assessments and we are all very proud of the effort and dedication they have shown this year. We have a fun filled week planned which includes a delicious breakfast, a slackline and a trip to watch Surrey Cricket! All they have left is a final piece of extremely important homework this weekend which is to rest and relax!

Have a great weekend,

David Gunning
Deputy Headteacher

Four-digit Targets

Stage: 2 ★

You have two sets of the digits from 0 to 9.

0	1	2	3	4	5	6	7	8	9
0	1	2	3	4	5	6	7	8	9

The idea is to arrange these digits in the five boxes to make four-digit numbers as close to the target number as possible.

You may use each digit once only.

largest odd number

largest even number

largest multiple of 3

smallest multiple of 5

number closest to 5000

Here is one of the solutions we found: 9873, 9866, 7443, 1125, 5002

FOBS are raising money to buy a new set of laptops for the children to use. We need your help!

Summer Fair
Saturday 9th June

Four actions:

- Put the date in your diary – your child will be involved in the arena on the day and it's a great day out!
- Email fobschair@googlemail.com and volunteer 30 minutes to sell raffle tickets outside Sainsbury's on Saturday 19th May
- Start to bring tombola items into school: tins, jars, bottles, toiletries, chocolate
- Grow us some bedding plants for our plant stall – or ask green-fingered friends and neighbours to help!
