It has been really busy and constructive in school this week. I have seen some great project work happening, we are focusing on revising and learning times tables using lots of new ideas to engage children with this vital skill, and our Governors have met today to review the academic progress and attainment of your children.

FOBS met yesterday and have added two new dates: a second Film Night (Thursday 21st March) and the Easter Hunt (Monday 1st April). FOBS are always grateful of help, so when the rotas come out, please see what you can do to play your part! Thanks.

We will draw our first 100 Club at the end of the month. If you haven't got around to joining, now's the time. Please ask if you'd like a form.

Finally, I am extremely sad and disappointed to report that we have been the victims of criminal damage to the school. Lead has been stripped from areas of the roof which were refurbished at huge expense around three years ago. This is really upsetting; we do all we can to provide the very best education possible for the young people in our community and incidents like this undermine our efforts. We've included some pictures of the damage on page 2 of the newsletter and would encourage anyone who may have seen anything to contact the police on the numbers provided. Thank you, as always, for your support.

Volunteer Readers Needed

We are looking for parents, grandparents or other volunteers who might be willing to listen to some of our KS1 children reading. If you can spare an hour a week and would be interested in helping our children to progress with their reading skills, please let the school office know. Thank you.

Bring and Buy Book Sale

Thank you to those of you who have sent in books for our Bring and Buy Book sale on Thursday 7th February. We are accepting adults' books as well as children's books and these can be brought into school at any time.

100 Club

There are still some places left in the 100 Club. You pay £1 per number per month and are entered into a draw. If your number is drawn, you are given half of the total money for that month (the school benefiting from the rest). If you'd still like to join in, please see Mrs Fookes for a form. Thanks!

Diarrhoea and Vomiting

A reminder that if your child has any symptoms of diarrhoea and vomiting, we have a strict 48 hour policy and they should not return to school until 48 hours after the last episode.

Roof Damage

We are very sad to report that the school roof was damaged recently when we had a break in to the grounds and the lead flashing was ripped off and taken from several places on the roof. If anyone saw anything or knows anything about the theft please call the police on 101 or contact Crimestoppers on 0800 555 111.
