**IMPORTANT!! IMPORTANT!! IMPORTANT!!**

Please remember that we are a **NO NUT SCHOOL**  
 This includes snacks and peanut butter/nutella sandwiches!

Water Bottles and Lunch Bags/ Boxes

Please ensure that your child comes into school with a named water bottle every day. Please also ensure that if they bring a packed lunch to school it is in a named bag or box.

**STARS OF THE WEEK**

**Ruby**  
**Harry**  
**Vasa**  
**Casper**  
**Ava**  
**Charlie**  
**Toby**

It has been an enjoyable short week this week in spite of the mixed weather! Year 6 have been superstars, preparing themselves to sit their SATs next week. I know that you will all wish them the best of luck. As always, we will be supporting them and their families throughout the week, giving them the chance to show off how brilliant they all are.

FOBS met on Tuesday evening; it was lovely to see some new members come along and they certainly generated new ideas and new impetus to some old ones! I have included a longer article explaining what is next for the FOBS/school partnership and how you might be able to help!

School Games Day

A letter was sent home this week regarding the arrangements for our annual School Games Day on Tuesday 11<sup>th</sup> June. Please ensure that you read this letter. If your child is in KS2 and you wish to change your usual arrangement for school meals on this day you may do so as long as the office is informed by Friday 17<sup>th</sup> May at the latest. Thank you for your cooperation.

Safe in the Sun

We always have your children's welfare at the heart of what we do. It is really important that children have plenty of time outside in the fresh air to learn, socialise, exercise and play. Although this week has been cool and wet, the forecast is improving so we are asking for your help through to the end of term.

Children need a named sunhat in school and should have sun cream applied before school to exposed parts. There are some great products which claim to be 'once a day' which, although they become less effective with time, should protect them through the length of the school day. We help by encouraging children to wear their sunhats and we keep the children in the shade of our beautiful tree canopy as much as we can on very sunny days.

To reiterate, they also need a named water bottle in school so that they can remain hydrated.

Thank you!

## FOBS Update

Summer Fair Planning is well underway for the Summer Fair which, this year, will be on Saturday 22<sup>nd</sup> June. The FOBS team came up with a short list of things which people could do to help. If you are willing, or able, to do any of the following, please could you let me or one of the FOBS team know?

1. **Retail therapy?** Would you be able to scour local pound shops and the like for Lucky Dip-type prizes? If so, please ask for some guidance on price, quantity, etc. before buying anything.
2. **Green fingers?** If you are growing or potting any vegetable or bedding plants, please could you grow a few extras for us to have to sell at the Fair. This is a great way to get Grandparents/wider family involved too.....
3. **Helpful contacts – including employers?** Do you have any contacts who might be willing to provide us with a prize for the raffle? It may be that you are employed somewhere where they engage in charitable giving and they might consider supporting us.
4. **Half an hour slot?** We are hoping to sell raffle tickets at Sainsbury's (if they will allow it) on Saturday 8<sup>th</sup> June, so if you could volunteer for a 30 minute slot, that would be great. Put it in your diary now and try to hold the date!

Film Night – Thursday 4<sup>th</sup> July We thought we would take advantage of the INSET day on Friday 5<sup>th</sup> July and host our next Film Night on the evening of Thursday 4<sup>th</sup> July. We will announce the film in due course, but again, please put it in your diaries.

100 Club Have you meant to join the 100 Club, but forgotten to? Memberships are available and you can pick up a form at the office should you wish to.

Living Eggs FOBS have agreed to pay for us to have the equipment to hatch eggs in school sometime after half term. This is a lovely way to bring science to life, and we look forward to sharing progress as it happens.

FOBS can be contacted through [fobschair@googlemail.com](mailto:fobschair@googlemail.com). If you are in position to offer any help at all, please get in touch! Thank you.

## Appeal for things to send to Malawi

Remember, we are happy to hand on good quality, clean items from the list below to send to Malawi.

Baby clothes	Clean blankets in good condition	Clean adult clothes in good condition
Clean children's clothes in good condition		Pairs of shoes in good, wearable condition
Stationery items (e.g. new pencils, colouring pencils, rulers, scissors, staplers)		

These items will be shipped direct to people who need them with no middle-men taking commission or charging for these goods when they arrive.

Please bag them up so that they can be stored and shipped, then drop them inside school at the Reception desk. We won't be able to use things which get wet/damp.

Thank you.
