Ladybirds loved sharing their learning through a lively and engaging assembly on Wednesday. Their topic – We Are What We Eat – has given them scope to explore the science of healthy eating, writing instructions for preparing food and growing plants for food amongst many things. Well done to the children in Ladybirds for showing us how much you have learned. You sing beautifully too!

I have just had the pleasure of helping Mr Gunning and Mrs Fookes to serve a breakfast to the children who have impressed their teachers most over homework, reading at home and learning their spellings really well. We love to celebrate learning outside the classroom and I send my congratulations to those children selected today.

I hope you all have a safe, restful and exciting half-term break.

Headteacher

Suncream

We would encourage you to apply suncream to your child/children before they come into school. However, if you do wish to send suncream into school please ensure that it is clearly labelled with your child's name and handed in to the office or class teacher. Thank you for your cooperation.

Ticks

A reminder that children attending Forest School Sessions should be checked for ticks. We would also suggest that as children do play outside on the field and around the trees at school, it is a good idea to check them for ticks regularly as well.

More information on ticks can be found at:
<http://www.lymediseaseaction.org.uk/about-ticks>

FOBS

Please don't forget that we need your help! If you are able to, please volunteer to:

- Shop for prizes (ask for guidance first)
- Grow some plants for the plant stall
- Offer to take a slot to sell raffle tickets at Sainsbury's
- Approach employers or other contacts for raffle prizes

The Summer Fair is on Saturday 22nd June and we include all children in an event at the start. Please put the date in your diaries and do your best to come along.
